

## NOTICE OF INTENT TO FILE APPLICATION FOR USDA RURAL DEVELOPMENT RURAL UTILITIES SERVICE LOAN AND GRANT

The Burney Water District (BWD) intends to file an application for federal financial assistance with the U. S. Department of Agriculture, Rural Development, Rural Utilities Service. Financial assistance is intended to be used for a proposed project including planning, design, and construction of improvements to the Wastewater Treatment Plant headworks building and equipment and replacement of valves in the percolation pond system at the BWD Wastewater Treatment Plant.

To become more acquainted with the proposed project, all interested parties are encouraged to attend and/or comment on the proposed project at the **Regular Board of Directors meeting on October 17, 2024, 6:30 p.m., at 20222 Hudson Street, Burney, CA 96013.** For questions regarding this project, please contact the BWD District Manager David Zevely at 530-335-3582. Also, written comments may be emailed to [dzevely@burneywater.org](mailto:dzevely@burneywater.org).
