## Backflow Tester Course - West Sacramento

---

Member \$880 / Non-member \$1,010

**Attendance is mandatory. In order to receive the specified amount of CEUs, students must attend 100% of allotted class time and successfully demonstrate their understanding of the material and information covered in this course through a final exam, with a score of at least 70%. If a student misses any training time or scores 69% or lower on the final exam, student will receive Contact Hours for instructional time received in course.**

**It is suggested that you bring your own test kit, tools and accessories. Some are available if you do not have one.**

Refunds are not permitted within 15 days of the class.

**Description:**

This course (half lecture and half hands-on training) provides the testing and maintenance methods for backflow prevention assemblies. Participants will learn how to recognize various backflow preventers and the proper procedures for testing each assembly under a variety of test conditions. This course will review all the rules, codes and regulations on the backflow requirements.

This course is Monday-Friday, 7:30 am - 5:00 pm.

Earn 4.0 CEUs

**Receipts** for classes are from [info@ca-nv-awwa.org](mailto:info@ca-nv-awwa.org)

Instructor: Randy Valenzano

REHS Approved

**Parking:**

Please do not park directly in front of the neighboring businesses front door.

**Reminder:**

Lunch and breaks are on your own.

Dress in layers.
