NOTICE OF APPEAL

**PLEASE DELIVER THIS ORIGINAL (SIGNED) DOCUMENT TO THE DISTRICT
MANAGER AND COPIES TO EACH INDIVIDUAL BOARD MEMBER**

Limited statutory liability may be voidable for a service corporation, Burney Water District.

I received yet another "Shut Off For Non-Payment" hung on a door-knob of an unoccupied building at 20484 Marquette St.. SUCH NOTICE WAS UNSIGNED AND MERELY INDICATED "NOTICE Given by: Office" It again appears the District under the [MIS]direction of D. Zevely, manager, fails to ensure legally sufficient and proper SERVICE OF NOTICE. This is FURTHER AGGRAVATED BY THE FACT THAT THE DISTRICT, SPECIFICALLY, ZEVELY, IS WELL AWARE OF BOTH AN E-MAIL AND PHONE NUMBER IN WHICH TO MAKE POSITIVE NOTICE AND CONTACT WITH THE OR A RESPONSIBLE PARTY. All of these defects in SERVICE OF PROCESS appear to indicate a selective and invidious agenda to cause loss, injury and harm. This contention may well be revealed in "discovery" upon all accounts contemporaneously purported to be "delinquent".

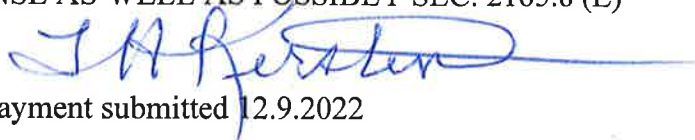

Earlier today, prior to "discovering" the "Shut-Off" ticket merely hung (Not firmly secured) on the door-knob, I made a payment (copy enclosed) and placed it in the drop-box, AGAIN DEMANDING A FULL ACCOUNTING ON THE ACCOUNTS WHICH HAVE BEEN **DELIBERATELY AND WILLFULLY DENIED!** To the "unwashed" (specifically Zevely) at the District, NO MEANINGFUL APPEAL OR HEARING CAN BE prepared or realized in the absence of the ability to prepare a "defense", which must be based upon undisputed and verifiable evidence disclosing a true and accurate accounting.

The invitation by Zevely to "appeal" before the Board at it's last meeting, after he had FAILED to produce documents repeatedly demanded/requested to defend my position, was tantamount to suggesting a "rape victim" seek justice/remedy by groveling/petitioning the rapist. Feckless bureaucratism abounds and permeates all levels of society.

THIS IS AN APPEAL AND STAYS ANY THREAT OF DISCONNECTION PURSUANT TO COMMONSENSE AS WELL AS POSSIBLY SEC. 2165.8 (E)
