Re: Neptune Meter and Parts Procurement

To Whom it May Concern:

Neptune Technology Group continues to value the longstanding relationship we have with the Truckee Donner Public Utility District. In order to meet procurement requirements and provide the City with optimum sales and customer experience, Neptune supports utilizing Ferguson Waterworks, our exclusive distributor for California. Neptune takes a single distributor approach to cover hardened territories set forth in our distributor agreements. Ferguson is a Level One distributor of Neptune which is the highest rank meaning they commit extra time to training and have certified sales and support team to support the Neptune product line and unique customer needs when it comes to water meter sales and system support.

If you have any questions, please feel free to contact me at any time. My contact information is provided below. Otherwise, we look forward to being your most valued partner when it comes to the business of water.
